Task 1: Turn to **page 5** of your **Student's Book**. Answer all five questions on that page **on a foolscap paper/ exam sheets**. *(You will submit your answer paper with this handout, so don't lose it!)*

Task 2: Match each label on the left to its correct description on the right.

Traditional Family	Mr. Raja and his twin sons enjoy spending their weekend together. The boys lost their mother at a very young age but they are happy with their kind father.
Single-parent Family	Tina and her parents do not share the same blood, but they look similar to each other. They are happy together.
Extended Family	Sakinah usually celebrates Hari Raya with her grandparents, aunts, uncles and cousins. Both of her parents have big families.
Blended Family	Xiao Wei has a brother and two sisters. They live with their loving parents, who were childhood sweethearts.
Adoptive Family	Zayn used to be an only child. After his widowed father remarried, he now has a new mother and three younger siblings!

Task 3: Watch the short video at https://qrgo.page.link/HXhfr or scan the QR code below. Then, answer the questions.
